Dear West Virginia Board,

Congratulations on winning a Power Membership Award for your chapter's joint membership efforts in 2022!

As part of the CARE program, this rewards program recognizes the top three chapters in each size category for the highest percentage of joint membership for the year. Your chapter has been awarded 3rd place in the small-size category!

It is our pleasure to recognize your chapter's achievements with a cash prize and a logo your chapter can use on various communication channels, including your website.

Thank you for your commitment and efforts to grow joint ATD-chapter membership. With your chapter's support, members are engaged more deeply with the organization and have the opportunity to develop professionally from the benefits received at both levels of affiliation.

We appreciate your partnership and collaboration.

Best regards,
